PRESBYTERIANS TO UNITE REAL ESTATE TRANSACTIONS

Denver, Colo., Sept. 11.—Rev. Dr. R. F. Coyle, moderator of the General Assembly of the Presbyterian church, who has just returned to his home in this city from a lecture tour in the East believes that the time is not far distant when the twelve different Presbyterian churches in the United States will become one. This probability, he says, is due to the re-constructing of the creed of his denomination which took place last May. Calvinistic and Armenian lines which have so long kept his and the Cumberland Presbyterian church separated, have now, he says, been effaced, and at present no distinctions, other than ceremonial, separated the two great religious orders that began as one in the days of Cromwell.

"Another step," said Dr. Coyle, "that our church took at the last general assembly in May, and one that tends toward the unity idea is to emphasize Christian education. With intellectual development many sordid distinctions that tend to keep churches separated will be obliterated."

"Our church now has an education committee and upon it has been imposed the duty of raising \$12,000,000 for educational purposes. Most of this money will be spent upon schools in the West, for our institutions of learning in the East are in good shape financially."

Together with the tools that were stored inside it, an entire house has been stolen brick by brick, near Cassel, Germany.

Rheumatism has been cured in a multitude of cases during the past sixty years by PAIN-KILLER. This potent remedy rubbed vigorously in and around the suffering parts, will relieve all stiffness, reduce the swelling, and kill all pain. The most stubborn cases yield to this treatment when persevered in. Avoid substitutes, there is but one Pain-Killer, Perry Davis'. 25c and 50c.
